## PRESS RELEASE

**Calling all Drama Groups and organisations!!**

**Theale Green Drama Department need you!!**

**Do you want your Drama Group to have their ‘five minutes of fame’?**

The Drama department at Theale Green Community School would like to invite you to take part in their Theale Green Mystery Cycle, an outdoor event taking place on the school playing field on the 18<sup>th</sup> of April. This event is based upon a traditional style of plays being acted out one after the other known as a “cycle”.

The biblical tales have been rewritten by the schools head of drama, Chris Lambert, from a modern viewpoint. This will make the mixture of tragic and humorous tales entertaining and an exciting opportunity to be part of something quite special with its unique performing style.

Theale Green will offer the venue, a choice of script and guidance from our Actor in residence. It is up to you how you perform and stage the story in your own unique style.

**For further details please contact: Nigel Wilson at the Drama Department, Theale Green Community School on telephone: 0118 9308552 or email: [nwilson@thealegreen.org.uk](mailto:nwilson@thealegreen.org.uk)**
